

A study through the University of Michigan is looking for participants!
Are you a refugee from Syria and are between the ages of 18 and 50?
Have you had at least one pregnancy since leaving Syria?
Have you left Syria within the past 6 years?
Are you currently in Michigan?

If your answer is **yes** to these questions then you can participate in this research project.

A researcher from the University of Michigan is conducting a study about the reproductive health decisions of refugee women from Syria. The interview will last for an hour and you will receive **\$50** in return. Home visits are available.

If you would like to be a part of this research please contact us by phone or WhatsApp at: **313-355-3446**

If you have any questions you can contact the researcher Meagan Chuey at the following email address: **meachuey@umich.edu**
