

Celebrate 50 Years of Service with Us

For over 50 years, ACCESS has been committed to the empowerment of millions of individuals and families. With more than 120 programs, operating in Southeast Michigan, along with three esteemed national institutions – the Arab American National Museum, the Center for Arab American Philanthropy, and the National Network for Arab American Communities – ACCESS continues to honor its Arab American heritage, while helping to change our world, one person at a time.

The 50th ACCESS Anniversary Dinner celebrates all that we have achieved locally and nationally with the help of our amazing community partners. The largest event of its kind, this special evening brings together 2,000 community members, friends and supporters including local, state and national public officials and business, corporate and nonprofit leaders. This special anniversary event promises to be unique and memorable.

We invite you to become a 50th Anniversary sponsor and join us in celebrating this major milestone. Your sponsorship will help us grow our impact and continue our mission of community empowerment and meaningful social change that is inclusive of all those we serve and represent.
